

How do we get paid?

We are paid a commission directly from the lender. The lender may pay us a percentage amount upon settlement of your loan and may pay us an ongoing percentage amount for the life of your loan.

These amounts are paid to us by the lender and ARE NOT payable by you. If you are interested and want an estimate of what our commission payment will be and how it is worked out, please just ask us and we will be only too glad to provide you with this information.

We use the services of a finance *aggregator* in order to gain access to many different Australian lenders. In return for this service, our aggregator charges us a share of the commission paid to us by lenders. If you are interested and want an estimate of what the aggregator's commission share will be and how it is worked out, please just ask us and we will be only too glad to provide you with this information.

On some loans, like commercial loans or SMSF loans, we may charge you a direct fee for our services. The fee payable will depend on the complexity of your situation but will be separately disclosed to you in our *Credit Quote* or SMSF Scenario that we will provide for your signoff before we proceed with actually assisting you.

What if you are not happy with our services?
